

Ratsamee Roipromma (Aum)
has been accepted to study
Bachelor of Communications Arts
Maharakhan University, Khon Khen

PERSONAL STATEMENT

Hello, my name is Ratsamee Roiprommam, my nickname is Aum. I am 18 years old and are now studying in Matthayom 6, Muang Thalang School. This year is the last year of a teenager's life and next up is University, which is a life that requires serious study.

I am my mother's only child and I was born in Khon Kaen. My cousin Team has also lived at Happy Child Home, she is now in her third year of university. When Team moved to Happy Child she send me pictures of all her new friends and of the sea and it made me want to move there to. I moved to Happy Child Home when I was 10 years old.

When I was a little child me and my mother moved from Khon Khen to Maha Sarakham province. Life at home was not very good because my mother had to work hard to be able to pay for school. Every day after school I had to go home to my mothers friend and her daughter as my mother had to work long days.

When I was 9 years old i moved back to Khon Khen to live with older relatives. The village was full of children that I sometimes could play with but most of the time I had to play alone at home as my house was far from the village. I did not feel lonely as I lived with my older relatives. Therefore, I tend to get along better with adults than children.

I lived in Khon Khen for one year and then I got to move to Happy Child Home and I got to see the sea for the first time, I was very excited to see the water with waves. I have many friends at Happy Child Home, my closest friend is Ploy, we are the same age and next year she's going to university too. Everyone here at Happy Child Home is kind to me and we live like a family and I have been able to go to a good school to study. This is like a warm home.

My favorite thing to do is draw. I'm not very good at drawing but people around me always compliment me. I want to apply to study Communication Arts with focus on design, photo and working with photos. I feel that using my ability or body is what I am good at. And I hope that my dream will come true this time.

Information about Communication Arts studies

PHILOSOPHY

Communication Arts means science related to the art of communication.

From the elements of communication, that is, the sender, the messenger, the media, and the receiver.

The sender can be a person, organization, or company.

The message must be the content that the sender wants to disseminate to the public.

Media or channel is a way to spread news to the target group.

THE PROGRAM CONSISTS OF 3 MAJORS

* Public relations/PR

* Broadcasting/Journalism

* Film

The first year the students learn the basic of all 3 majors

- Art and Creative Thinking
- Communication Skill Improvement
- Principles of Journalism
- Preparatory English
- Digital Literacy
- Writing for Mass Communication
- Principles of Broadcasting
- Principles of Film
- Photography
- Communicative English
- Design Thinking

The second year the students chose their major.

The Admission procedure for Aum

As step 1 she sent her application/her Portfolio directly to the university and got accepted already in Round 1.

Universities accepting students in this round have a lot of freedom in setting admission requirements but generally look at the extracurricular activities and achievements of a student, so a portfolio containing the student's basic information along with their extracurricular activities and achievements is expected by most universities.
